# WASHAKIE COUNTY CONSERVATION DISTRICT 2024 BARE ROOT SEEDLING TREE ORDER FORM

NAME:

EMAIL ADDRESS:

PHONE NUMBER:

MAILING ADDRESS:

Estimated arrival AROUND Arbor Day (April 29, 2024). You are required to pick up your order at:

208 Shiloh Road Worland, WY 82401

The Washakie County Conservation Districts Tree Program enables landowners to obtain trees at nominal cost for conservation projects. Examples: wind barriers for buildings, cropland, feedlots & roads, for erosion control, streambank stabilization, habitat restoration or enhancment, reforestation, native plantings or other conservation plantings. The trees are not for commercial resale.

Learn more about each tree: scan QR code to clickable links for each species. Call WCCD @ 307-347-2456 ext 121 with any questions.

Not all Orders are Guarranteed

Since availability off stock is always changing, reimbursement will be made only if trees are out of stock.

Plan for Success

Research species and your soil, verify supplemental water availability and provide protection from wildlife or livestock. Prepare for extra care during the first few years of growth, particularly in extreme weather conditions.

Species Will Not Grow in Every Location

While all species offered are winter hardy, plant growth and survival depend upon proper planting location, care, protection, watering, soil-type and weather conditions.

Deciduous: 12-24" *unless noted, Bundles of 25
