Orders will ship mid-April with an estimated arrival on or around Arbor Day 2023.

Reservations are placed on trees when the orders are received and paid.
Tree quantities are limited so it is best to place your order early.

Species will not grow in every location!
While all species offered are winter hardy, plant growth and survival depend upon proper planting location, care, protection, soil-type and weather conditions.

Plan!
Research species and your soil, verify water availability and provide protection from wildlife or livestock. Prepare for extra care during the first few years of growth, particularly in extreme weather conditions.

NOT ALL ORDERS ARE GUARANTEED.
Since availability in stock is always changing, reimbursement will be made if trees are out of stock.

Contact Janet Hofmann, Education Coordinator with any questions and don't forget to ask about FREE tree resource materials available!
Email her at wccd3@rtconnect.net or call 307-347-2456, ext 121.
